THE TEAM TROPHY

Those of you who have watched cycling racing will know of Team Time Trials – the victory being given to the team with the quickest 5th rider. So it is all about – strength in depth, not the fastest boy
The scores of the 3 highest scoring riders from each team in each race (boys and girls), excluding all riders who came 1st, 2nd and 3rd in that race, will have their scores added together over the first 5
The results will be published after the 5th race with the names of everyone who contributed to the team score of each team
The winners will all be invited to the 6th race to be awarded the BIG CUP – the cup will be held in the winning club's clubhouse (shed!)
